

Technical Information

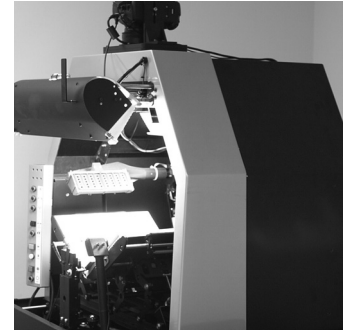

Book Scan Bureau scans your documents, returning them in a variety of formats, including JPEG, TIFF, PDF or WORD. Documents are returned in whatever medium you require e.g. CD, DVD, Microfilm, FTP or a portable USB Hard Drive.

Other services include:

- Map scanning
- Archival scanning
- Document scanning
- Large format scanning
- Single sheet scanning

- 📖 Digital files can also be produced for the web; and a web hosting service is available.
- 📖 We have the facility to offer reprints (facsimiles).
- 📖 All images are taken in full colour using a 16.6 mega pixel camera.
- 📖 Resolution is between 300-600 dpi, providing exceptional quality throughout the whole document.
- 📖 The digitising operation can accommodate bound documents up to 355 x 280mm, with a maximum binding thickness of 100mm, and paper weights of between 49 to 120gsm.

As a matter of course, all books are treated sympathetically and stored in a secure climate controlled environment. Ensuring your precious consignment is protected throughout the scanning process.
